Product Designer

Design is about passion, emotion, behaviour, mental interaction and desire. It is like a mathematical problem but more complicated than that, as industrial designer my responsibility is to solve it, looking for an answer.

Share your WOW-ideas at 120°!

Inspired by KING FISHER's confidence appearance while resting joyfully, ARTE COMO brings it come true to worklife, even life! Continuing to uphold ARTE COMO's care in wellbeing, ARTE COMO@RANZZA is designed to encourage people optimal healthy posture of 120°. Dressed in your favourite colours, RANZZA makes a lively and happy workplace that creative juice overflow through the new way of how we sit and meet! Yet, with its mini-size designed, RANZZA is ideal to lighten up wherever we gotta share our ideas. Looking for a table to get job done? let's flip the seatrest, it can be a small table for use.
